It is with great regret we announce that one of our longest serving club members and coaches, Alan Archer, passed away this morning.

Some of you will be aware that Alan had been suffering a long-term illness; unfortunately he was taken into hospital last night following development of serious complications.

Alan coached so many club members over the years that his impact on the club and its achievements is incalculable. He will be sorely missed by his many friends and our deepest sympathies go to his wife, Ann, and his daughters, Claire and Jessica.

By coincidence, Alan was pictured in one of the photos sent in by Keith Winter in this week's newsletter. He is the tall chap in the centre of the back row of the CBR group showing his involvement some 35 years ago

More details about Alan and his achievements will follow in due course but, tonight, maybe just raise a glass in his memory.
